In the Matter of:

THE CATV POLE ATTACHMENT	)	
TARIFF OF INTER-COUNTY RURAL	)	ADMINISTRATIVE
ELECTRIC COOPERATIVE CORPORATION	)	CASE NO. 251-39

O R D E R

Procedural Background

On September 17, 1982, the Commission issued an Amended Order in Administrative Case No. 251, "The Adoption of a Standard Methodology for Establishing Rates for CATV Pole Attachments," and ordered electric and telephone utilities providing or proposing to provide CATV pole attachments to file tariffs conforming with the principles and findings of the Order on or before November 1, 1982.

On November 1, 1982, Inter-County Rural Electric Cooperative Corporation ("Inter-County") filed rates, rules, and regulations governing CATV pole attachments. On November 15, 1982, the Commission suspended Inter-County's CATV pole attachment tariff to allow the maximum statutory time for investigation and comment from interested persons.

On November 19, 1982, the Kentucky Cable Television Association, Inc., ("KCTA") requested and was granted leave to intervene and comment on Inter-County's CATV pole attachment tariff. On January 17, 1983, KCTA filed a statement of

objections to various CATV pole attachment tariffs, but made no specific objections in the case of Inter-County.

The Commission considers the matter of Inter-County's CATV pole attachment tariff submitted for final determination.

#### Findings

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. Inter-County's rules and regulations governing CATV pole attachments conform with the principles and findings of the Commission's Amended Order in Administrative Case No. 251, and should be approved, except as follows:

(a) On sheet 7, the late payment provision should be the same as that applied to other commercial classes of service.

2. Inter-County's calculation of its annual carrying cost should be modified to exclude interest expense as this is covered by the "cost of money" component and to include \$687,529.91 of operational and maintenance expenses from Inter-County's annual report of December 31, 1981.

3. Inter-County should be allowed to substitute 1982 Annual Report information to adjust its annual carrying charge, if the information is available and filed with the Commission.
